

00 COMPANY PROFILE · 2026

Every clean, documented.

NADCA-certified air hygiene & facility projects for corporate India.

ISO 9001:2015 · ISO 45001:2018 · Serving corporate India since 2009

About Energetic Services

Established in 2009 in Gurugram, Energetic Services runs two divisions for corporate facilities across Delhi NCR and India.

- ✓ **Air Hygiene & Duct Cleaning** — NADCA-member operations led by ASCS and VSMR certified specialists, working to the NADCA ACR standard.
- ✓ **Facility Projects & Maintenance** — interiors, electromechanical upkeep, safety systems and fabrication.
- ✓ Certified to **ISO 9001:2015** and **ISO 45001:2018** across civil, electrical, HVAC, AC duct and kitchen duct cleaning works.

Every duct-cleaning job is delivered with **camera evidence** and a **signed completion report**.

40+

Corporate clients served

NADCA

Member in good standing

ISO

9001:2015 & 45001:2018

One partner, two divisions

**DIVISION 01**

Air Hygiene & Duct Cleaning

NADCA-certified duct cleaning, robotic camera inspection, IAQ assessment, mold remediation and kitchen & laundry exhaust — every job documented on video.

7 SERVICES · ACR STANDARD · EVIDENCE FIRST

**DIVISION 02**

Facility Projects & Maintenance

Corporate interiors and renovations, electromechanical maintenance, fire safety, security systems, thermography, calibration and fabrication.

REFERRAL & RELATIONSHIP · ONE ACCOUNTABLE CONTACT

Both divisions run under the same ISO 9001:2015 quality system and ISO 45001:2018 safety system — one vendor, one audit file.

03 DIVISION 01

Air Hygiene & Duct Cleaning

NADCA member · ASCS #12775637 · VSMR qualified · NADCA ACR-standard process

Certified, not self-declared

- ✓ **NADCA member in good standing** — member since Nov 2024; membership year 1 Jul 2026 – 30 Jun 2027.
- ✓ **Air Systems Cleaning Specialist (ASCS)** — project lead certified, cert #12775637, valid to 30 Jun 2027.
- ✓ **Ventilation System Mold Remediator (VSMR)** — microbial remediation inside HVAC systems.
- ✓ All duct cleaning performed to the **NADCA ACR standard**: source removal under continuous HEPA negative pressure.
- ✓ **₹45,00,000 aggregate liability cover** — ICICI Lombard, valid to 25 Jun 2027.

Seven services, one documented method

Robotic HVAC duct cleaning

Camera-guided robots inspect and clean supply and return ducts without cutting open ceilings.

AHU cleaning, health audits & air balancing

Coils, blowers and plenums restored to design condition — with airflow readings to prove it.

Ventilation system mold remediation

VSMR-qualified containment, removal and verification when mold is found in ducts or AHUs.

Kitchen exhaust & grease duct cleaning

Grease removed from hood to fan for fire safety and FSSAI compliance — with photo proof.

Laundry & lint duct cleaning

Lint removed from dryer exhaust runs in hotels and hospitals — a documented fire-risk reduction.

Duct hygiene maintenance programs (AMC)

Scheduled inspection and cleaning cycles with a standing audit file — hygiene as a contract.

Inspection & IAQ assessment

A camera-documented inspection and air-quality readings — the evidence to decide what needs doing.

NOTE INSPECTION FIRST

No quote until we've inspected. Site inspections are free for commercial facilities in Delhi NCR — if the system is clean, the report says so.

Every job, proven on camera

01

Inspect

Camera survey of ducts and AHUs establishes the actual condition before anyone quotes anything.

YOU RECEIVE: INSPECTION REPORT
WITH PHOTO LOG

02

Contain

Work zones isolated under HEPA-filtered negative pressure so debris never enters occupied space.

YOU RECEIVE: WRITTEN
CONTAINMENT PLAN

03

Clean

Robotic and mechanical cleaning to the NADCA ACR standard, zone by zone, after hours.

YOU RECEIVE: DATED CLEANING LOG
PER ZONE

04

Verify

The camera goes back in. Matched before/after photos of the same sections — same angle, same spot.

YOU RECEIVE: POST-VERIFICATION
PHOTO SET

05

Report

Findings, work performed and readings compiled into one document your auditor can file.

YOU RECEIVE: CLOSURE REPORT &
CERTIFICATE

“You don’t take our word for it. **You watch the footage.**”

Equipment on our floor

PNEUMATIC CRAWLER ROBOT

CABLE-DRIVE BRUSH MACHINE

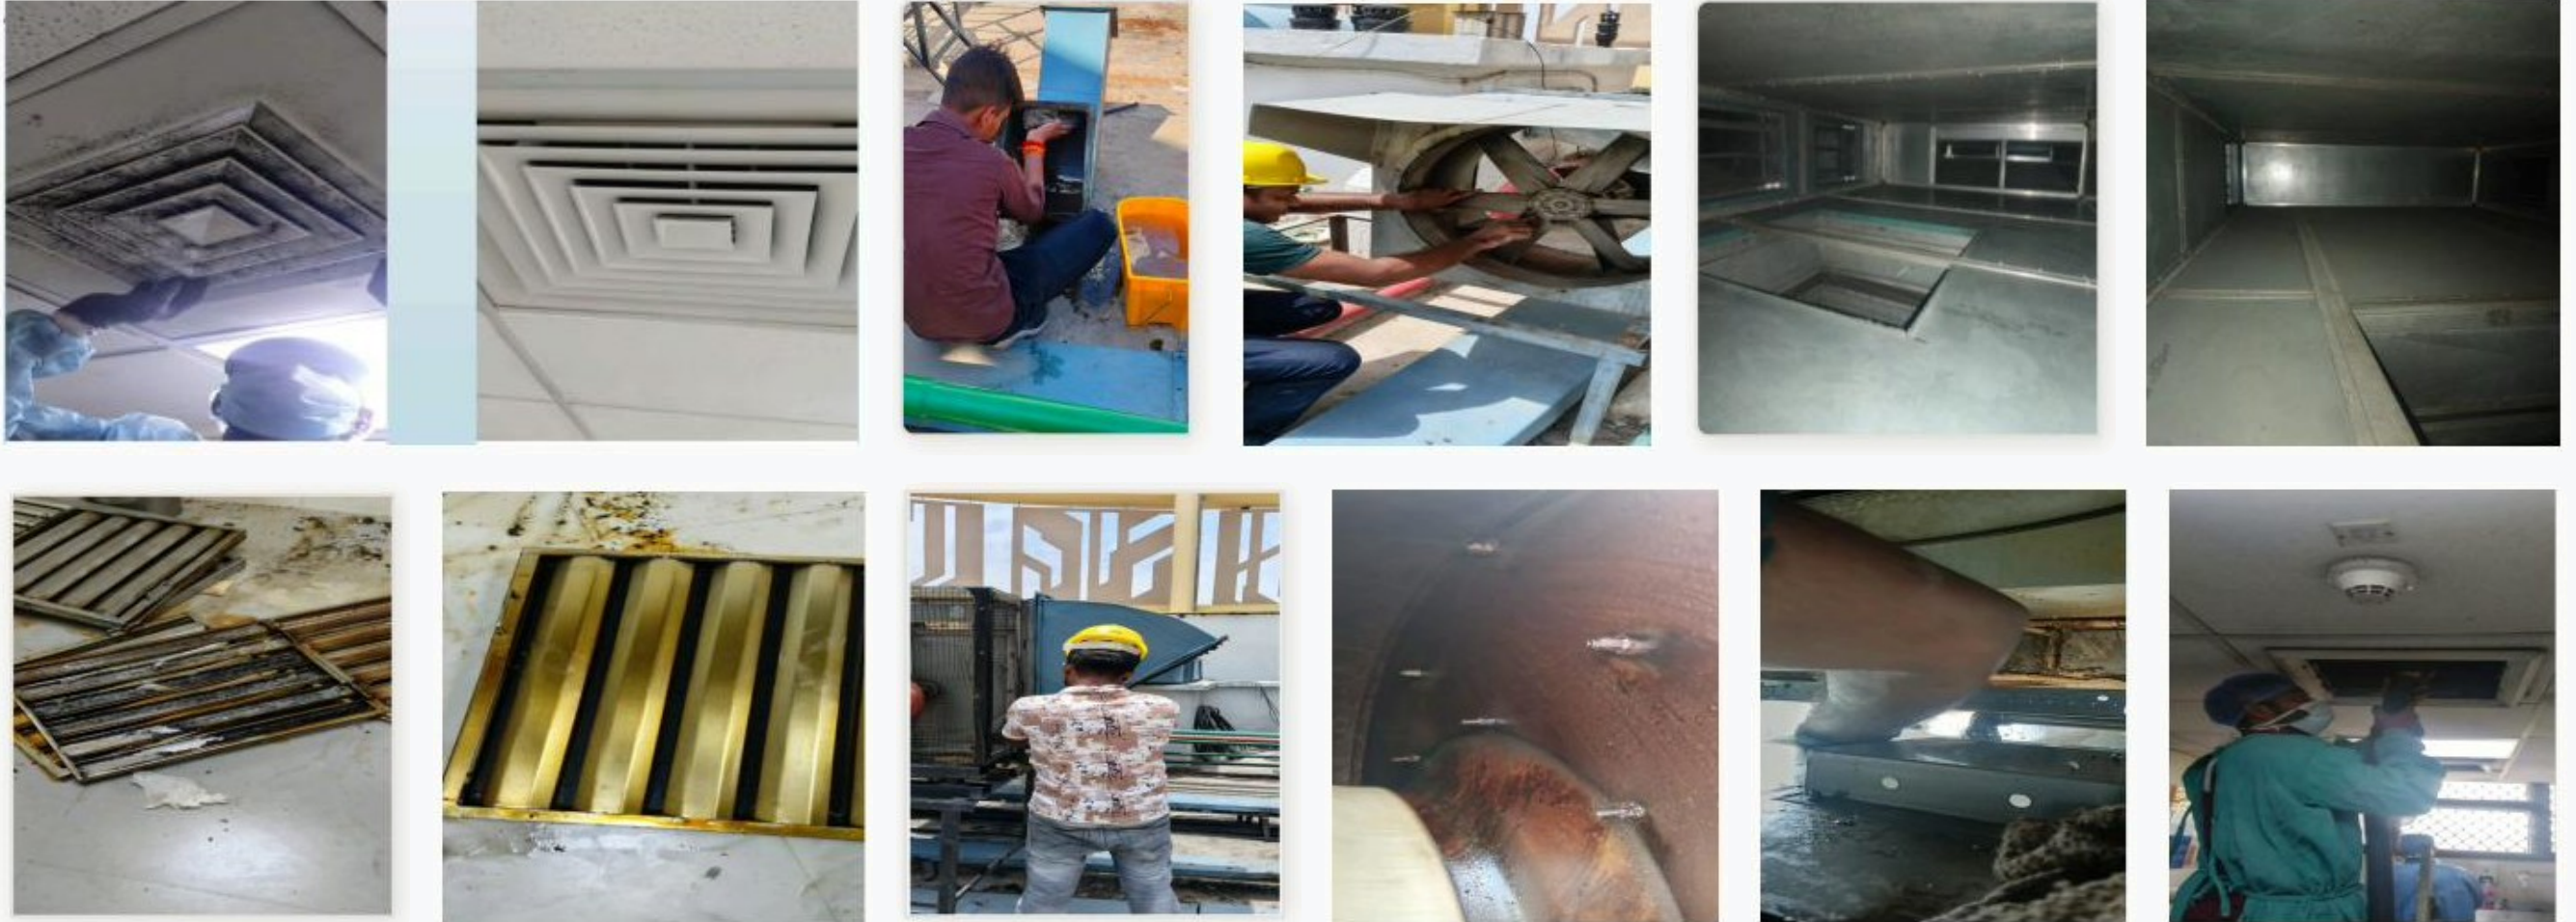

ROTOBRUSH AIR-DUCT SYSTEM

VIDEO-ENABLED DUCT CLEANER – CHAMP

Supported by HEPA negative-air containment and camera inspection systems on every ACR job.

Air hygiene, in the field

Site photographs from Energetic Services duct-cleaning engagements.

Air division track record

ACTIVE AMC

Concentrix

Ongoing duct-cleaning program under annual maintenance contract.

COMPLETED 2026

American Express

Office duct cleaning, Gurugram.

Duct and air-hygiene work also delivered at facilities of **Johnson & Johnson, DLF and JLL.**

10 DIVISION 02

Facility Projects & Maintenance

Interiors · Electromechanical · Fire safety · Security · Thermography · Calibration · Fabrication · Rainwater harvesting

Projects & maintenance services

- ✓ Corporate renovation & office interiors
- ✓ Civil works
- ✓ Fire safety & passive fire protection
- ✓ Thermography
- ✓ MS/SS fabrication
- ✓ Design & build
- ✓ Electromechanical upkeep & AMC contracts
- ✓ Security systems
- ✓ Meter calibration
- ✓ Rain water harvesting

Rain water harvesting and energy-side work also feed sustainability reporting.

Delivered as one-time projects or annual maintenance contracts. Client names shared on request, with consent.

IT CAMPUS · GURUGRAM

Phased office interior renovation across two floors — civil, electrical and HVAC coordination — delivered around a live workplace with zero lost workdays.

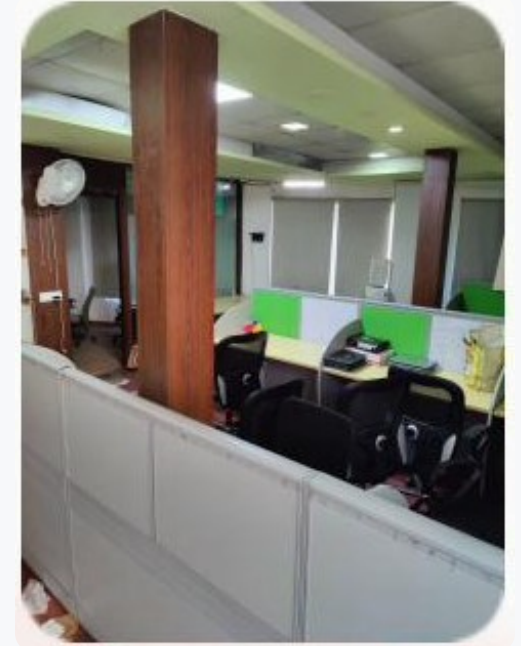

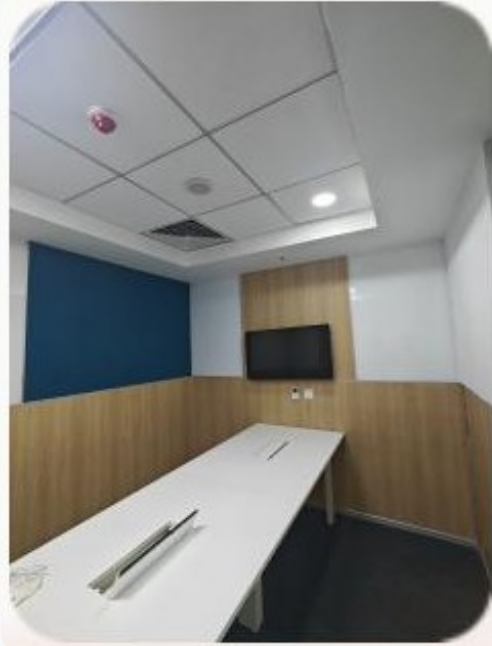

BFSI OFFICE · DELHI NCR

Multi-year electromechanical AMC: HVAC, electrical and plumbing upkeep with monthly preventive-maintenance reporting to the facility head.

CORPORATE FACILITY · HARYANA

Passive fire protection upgrade — fire-stopping of service penetrations and fire-door remediation documented compartment by compartment for the fire auditor.
